

FIADH RUADH

WILD, UNTAMED

For many cultures the deer is a sacred animal symbolizing independence and pride as well as being a guide for spiritual journeys. For our wines, the red deer of Scotland is a symbol of the freedom to express our interpretation of classic regions in a new and exciting way while celebrating the genealogical history of our families.

ARE YOU UNTAMEABLE?

2018 Fiadh Ruadh Cabernet Sauvignon

Variety: 100% Cabernet Sauvignon

AVA: Stags Leap District

Alcohol: 14.5%

pH: 3.56

TA: 6.38 g/L

RS: 0.6 g/L

The 2018 vintage is the perfect vintage to start a new project with. The weather was ideal for ripening Cabernet with a mild spring, a long warm summer, and glorious fall. Harvested mid-October, this wine is 100% Cabernet Sauvignon from clone 685 planted on red volcanic soils just off the Silverado Trail in the heart of the Stags Leap District. It was aged in 100% new French Oak from Taransaud for 22 months prior to bottling.
